THE DRILLER KILLER'S BACK– AND HE PARTIES FOR KEEPS!

The only sane survivor of *SLUMBER PARTY MASSACRE*, Courtney (CRYSTAL BERNARD) dreams of the drill murderer returning. She can't shake the horrible feeling that she and her friends will be viciously tormented and brutally butchered. Again and again the nightmare returns. Dazed, Courtney loses control. And her nightmare crosses into reality.

No one believes her, until it's too late. The driller killer returns, reincarnated as an evil rocker. He methodically stalks them; then violently gores them to death ...one by one. Mixing elements of *NIGHTMARE ON ELM STREET* with *TEXAS CHAINSAW MASSACRE*, only the fittest can survive–**SLUMBER PARTY MASSACRE II**!

Here are some reasons to buy extra cassettes of SLUMBER PARTY MASSACRE II:
